**ACCELERATING FLORIDA'S SEMICONDUCTOR WAVE OF INNOVATION:**  
**TALENT. TECHNOLOGY. CAPITAL.**

# ABOUT THE FLORIDA SEMICONDUCTOR SUMMIT

The Florida Semiconductor Summit is the premier statewide event that convenes leaders across the semiconductor industry, including executives, academic researchers, faculty, government officials and workforce development professionals, to explore the latest innovations, challenges and opportunities in this rapidly evolving sector.

Through high-impact keynote sessions, panels, technical and non-technical talks, a collaborative workshop and a thriving Expo Hall, this summit provides a dynamic platform for knowledge sharing, strategic networking and forging cross-sector partnerships.

# WHY SPONSOR OR EXHIBIT AT THIS SUMMIT?

Florida has firmly established itself as a rising force in the national semiconductor ecosystem. The Florida Semiconductor Summit is where industry leaders, innovators, researchers and policymakers come together to shape what comes next.

*Your organization will gain the following benefits by sponsoring or exhibiting at the **2027 Florida Semiconductor Summit**:*

- **Gain exposure** to a highly targeted, influential audience from across industry, academia and government.
- **Demonstrate leadership** and innovation within the region's growing semiconductor landscape.
- **Build brand visibility** through event promotions, on-site branding and post-event engagement.
- **Connect directly** with potential partners, collaborators, clients and future talent.
- **Demonstrate your corporate social responsibility** by showcasing your commitment to advancing the semiconductor sector.
- **Unlock networking opportunities** by gaining access to key decision-makers, thought leaders and potential partners within the semiconductor industry.

This summit is more than an event; it is a strategic convening point for shaping the semiconductor industry in Florida.

## Custom Activation Opportunity

Do you have a bold idea that goes beyond traditional sponsorship offerings? The Florida Semiconductor Summit welcomes innovative, high-impact activations that enhance the attendee experience while showcasing your organization's leadership in the semiconductor ecosystem.

From interactive demonstrations and immersive technology showcases to experiential installations and fully custom engagement spaces, we invite partners to co-create moments that stand out and spark meaningful connections.

Let's build something memorable, meaningful, and distinctly yours.

Reach out to us at [FSI-Info@ufl.edu](mailto:FSI-Info@ufl.edu) to build your custom sponsorship package.

# KEY DATES AND INFORMATION

## Booth Set-Up & Removal Times

|          |                         |                |
|----------|-------------------------|----------------|
| Move In  | Tuesday, March 30, 2027 | 2-6 p.m. (EST) |
| Move Out | Thursday, April 1, 2027 | 3-7 p.m. (EST) |

## Key Dates

- **Sponsorship Commitment Deadline:** Friday, Feb. 19, 2027
- **Ad Materials and Final Logo Submissions Deadline:** Friday, Feb. 19, 2027

## Important Things to Know

- The Expo Hall is located in the Gulf Island Center Hall.
- Your booth placement will be determined by the event organizers.
- Individuals helping with display setup but not attending the summit do not need to register. However, all sponsor representatives must be fully registered to participate.
- If you plan to bring informational materials, please prepare for approximately 400 attendees.
- Exhibitor materials may be shipped in advance to the venue. Shipping instructions will be provided in the exhibitor's email.
- Exhibitors are responsible for tracking shipments and arranging return shipping post-event. Event organizers are not responsible for shipping.
- All booths include one 6' table and two chairs. Additional furniture, power, etc., must be ordered independently.

A detailed Exhibitor & Sponsor Welcome Packet will be sent with floor plans, shipping information, deadlines, and day-of logistics a month before the event.

If you have any immediate questions, please reach out to us at [FSI-Info@ufl.edu](mailto:FSI-Info@ufl.edu).
